4th annual guide to

# STUFF

*made and built in northeast Wisconsin*

**Aimed at changing the image of careers in manufacturing and the building & construction trades in northeast Wisconsin.**

## **THE CHALLENGE:**

Manufacturers and the building trades are having a hard time finding qualified employees, which puts a damper on growth and productivity at firms around the state.

While the manufacturing sector employs 468,000 workers and the building trades employ 168,000 workers in Wisconsin, the industries have a PR problem, especially with younger workers.

The message of GOOD PAYING JOBS and a future career offering advancement is just not getting through.

## **THE SOLUTION:**

A Guide to STUFF Made & Built in northeast Wisconsin helps close that gap by connecting employees and employers in northeast Wisconsin

### **Publication Date:**

February 26, 2021

### **Reservation Deadline:**

February 15, 2021

**NE WI EDITION**

### **A Guide to STUFF Made and Built in Wisconsin:**

A hip interactive print and digital publication profiling area manufacturers and construction-related companies. It features what those companies make and build, who they sell to, and how their product is used, as well as the kinds of jobs/careers available in each company.

Area students, guidance counselors and parents use it as a resource for making career decisions, and area employers can use it as a vital part of their recruitment efforts.

# Changing the image of careers in manufacturing and the building & construction trades in NE Wisconsin.

The 3rd annual regional publication will raise awareness and act as a recruiting tool for northeast Wisconsin manufacturers and building & construction related companies like nothing before – going directly to high school and college students as well as workforce centers throughout the region.

STUFF is published and distributed in February 2020. It will feature content highlighting the manufacturing and building & construction trade industries like:

- ▶ The vitality and future of manufacturing and construction in NE Wisconsin
- ▶ Charts, graphs and data showing average earnings, the types of companies and with specific jobs
- ▶ Interviews with young workers who are climbing the ladder at their company

STUFF is inserted into BizTimes Milwaukee, reaching thousands of company owners and parents throughout the region, further increasing awareness and promoting collaboration.

Be a part of this unique marketing opportunity that showcases NE Wisconsin's manufacturing and building & construction firms, highlighting the cool stuff you make and build. Communicate the appeal of a career in manufacturing or construction to tomorrow's workforce.
